# The Only Truth

Mr. Brok3n / Lyrics by Eric Wright

## SINGLE

OCT 11, 2025

## VERSE 1

I walk through shadows wrapped in gold,  
 Stories of lies that I was told.  
 They fed me dreams from poisoned hands,  
 Taught me to kneel to broken plans.  
 Temptation whispers soft and near,  
 But I won't fall—I've learned to hear  
 The voice that cuts through every chain,  
 The Word that burns through all the pain.

## CHORUS

This world is fading, the veil is torn,  
 I'm not the same as when I was born.  
 I see the light through all disguise,  
 Through blood and love, the Truth will rise.  
 Not here to fall, not here to die—  
 But to live for the One who gave His life. x2

## VERSE 2

Deception dressed in holy guise,  
 Built to blind my seeking eyes.  
 But grace revealed what lies beneath,  
 The thorns, the crown, the nail, the grief.  
 Now every step is not my own,  
 I walk the path His love has shown.  
 I see the plan the world denies,  
 And I choose the narrow, endless sky.

## INSTRUMENTAL BREAK

## BRIDGE

Get ready now—the storm's begun,  
 The greatest lie is still to come.  
 Cling to the Cross, the living flame,  
 Remember His story, remember His name.  
 The Savior stands when all else falls,  
 The only Truth that conquers all.

## CHORUS

This world is fading, the veil is torn,  
 I'm not the same as when I was born.  
 I see the light through all disguise,  
 Through blood and love, the Truth will rise.  
 Not here to fall, not here to die—  
 But to live for the One who gave His life.x2

## OUTRO

I'm only here for a breath in time,  
 A soldier of love in the grand design.  
 When all is ash, when all is through,  
 I'll stand in the light of the Only Truth.
